

PRESS RELEASE:

FOR IMMEDIATE RELEASE FROM THE DESK OF BOB GARNER 765-345-2100

info@thehoosiergym.com

This November is a historic month at The Hoosier Gym. This iconic structure has been serving the citizens of Knightstown since its construction in 1921 and is celebrating its 100th anniversary. Before the Knightstown Gym became The Hoosier Gym, *Home of the Hickory Huskers*, it served the community for 64 years. November 25th, 1921, the Sulphur Springs Blue Birds played the Knightstown Falcons in the first ever game held in the Gym. The 100th anniversary game is but one of the celebration activities on the schedule.

The Gym became famous as the home of the Hickory Huskers with the release of the Classic movie *Hoosiers* in November 1986. We will celebrate the 35th anniversary of the movies release with two events. We will be showing *Hoosiers* in the Gym as you have never seen before and we will be having a special day of celebration honoring both of these significant anniversaries
